## Activities

Many activities are organised, for adults and children. Nature's lovers could participate to alpine excursions, botanical walking and free climbing lessons. Mountain walking that are organised by the Tourist Village "Tre Capitelli" are for excursion for debutants and for real fans. At last, one can do also duo- paragliding and canyoning, with supervision of experts.

### ENTERTAINMENT

During July and August, there's a nice and well-organized entertainment activity program for the whole family. It ranges over pure fun for the smallest, with drawing and ability games, but also sport activity, with table tennis' tournaments for the children, tournaments of mixed doubles tennis, football, volleyball and surf's regattas. As last, but not in order of importance, orienteering: games of orientation for youths, which are organized in mountain, with a pinch of adventure and fun.

## Marcella

It is a wide apartment (95 sq), with ample balcony: it's at first floor of a house, consisting of four apartments, newly realised at 150 m from the beach, in a panoramic area with great lake view. It's about 50 m from Tourist Village "Tre Capitelli", and one can use all its internal structures: swimming pool, tennis, table tennis, volleyball, restaurant, pub, market, windsurf school and entertainment activities.

## Spalenza

It is a comfortable small house (50 sq) for four people with great lake view and external arcade. Situated at 100 m from beach and 50 m from Tourist Village "Tre Capitelli", one can use all its internal structures: swimming pool, tennis, table tennis, volleyball, restaurant, pub, market, windsurf school and entertainment activities.

### Oliva 1

Cosy small house (80 sq), few metres from lake's waters, in a quiet zone and in close contact with nature. 10 minutes on foot from Tourist Village "Tre Capitelli" and 20

minutes from the village of Pieve Vecchia, accessible through a natural path, which follow the coast of the lake. At Tourist Village "Tre Capitelli" one can use all its internal structures: swimming pool, tennis, table tennis, volleyball, restaurant, pub, market, windsurf school and entertainment activities.

### Oliva 2

Cosy small house (60 sq), few metres from lake's waters, in a quiet zone and in close contact with nature. 10 minutes on foot from Tourist Village "Tre Capitelli" and 20 minutes from the village of Pieve Vecchia, accessible through a natural

path, which follow the coast of the lake. At Tourist Village "Tre Capitelli" one can use all its internal structures: swimming pool, tennis, table tennis, volleyball, restaurant, pub, market, windsurf school and entertainment activities

**Elettra** • Residence with private swimming pool (7x14 m) situated in the village of Pieve Vecchia, in a hilly zone 500 m. from beach of Lemprato. 60 sq. apartments have balcony or terrace and are realised in 2 residential blocks with 2 floors. Moreover there are also two table tennis' tables, swimming pool at 3 external fireplaces for barbecues.

### Righetti

This is a cosy apartment of 40 sq at ground floor, into a building where the owners live at first floor. There's a direct access at beach from the garden. It's very close to the beach of

Lemprato, with playground for kids, bars, restaurants and there's the chance to walk along lake's river on a path that links Lemprato and the typical lake village of Crone.

### Simona

• It's a wide apartment of 95 sq, perfect for families or groups. It's at ground floor into a building where the owners live at first floor. It's situated in Lemprato, about 100 m from beach with playground for kids, bars, restaurants and there's the chance to walk along lake's river on a path that links Lemprato and the typical lake village of Crone.

**Casa grandi** • It's a very comfortable semi-detached house (50 sq), with lake view, terrace and small garden. Cosy apartment recently realised and is situated just 100 m from the lake, in the hilly zone of the typical lake village of Crone, which offers many restaurants, bars and shops.

### Valentino

• It's in the hilly part of Lemprato. It's an ancient hayloft, that has been renewed, with ample garden, games for kids and external fireplace for barbecues. The owners live at first floor and they have a friendly dog. The apartment of 50 sq is at ground floor and has an ample terrace. The neighbour apartment during august is occupied by an italian old couple. The Village and beach are just 200m away, so they are reachable on foot. Lemprato is a typical lake village, with shops, bars and restaurants.

### Vico

• Very comfortable twinfamilial small villa (80 sq) into a residential zone, composed by 18 houses just 50 m from lake. Newly realised, it has living room/kitchen area at ground floor with external terrace and small garden, while bedroom/bathroom area is at first floor. Outside, there is a direct access at beach, walking through a wide garden, and one can also reach the pedestrian path, which links typical villages of Lemprato and Crone.

### Vesta

• Small single house of 70 sq, it's situated in Vesta, one of the most enchanting areas of Idro's lake, appreciated for the beauty of nature and quiet. It's about 50 m from the beach, in the hilly area, with lake view; it's possible to walk for a pair of hours, along a mountain path, which follows the north coast of lake. Vesta's beach is, moreover, famous between free-climbing lovers, for its many climb's paths.

### Idra

• Twinfamilial small villa of 60 sq very close at the lake, few metres from water. Newly realised, it's situated in a quiet place, next to the typical lake village of Crone, where there are many restaurants, bar and shops, reachable on foot through a pedestrian path, which follows the lake.
